## Japanese Language Classes

Santa Fe JIN offers Japanese language classes to members at the great rate of \$10 per hour! Classes are held weekly and payment is due at the beginning of each month.

We are starting a new Beginning Japanese class. This class will be on Mondays from 5:15 PM to 6:15 PM, with the first class scheduled for June 3, 2013. The class will accommodate both those with no former Japanese language

experience and those with some previous instruction. We have one opening left for this class if you would like to join it.

We also are looking to re-start our Intermediate Japanese class. The students in this class generally have had 2 years or more of Japanese language study with a knowledge of the hiragana, katakana, and kanji writing systems (500+ kanji). Classes cover a wide range of subject areas, including grammar, vocabulary, kanji, reading, and discussion. Contact us soon about this class so we have your input for selecting the evening and the time to hold this class.

In addition, we have a children's class on Saturday mornings. There is a possibility of adding a student to this class.

*The location for the classes is at the teacher's home, off Airport Road. Please contact Noriko-sensei if you're interested in any of these classes or need more details: (505) 577-2298 or [kawasakinmar@gmail.com](mailto:kawasakinmar@gmail.com).*
